**Fulfillment I**

Praxa

Self-study Classroom

**Audience**

- This course is aimed at Solution Consultants responsible for implementing order fulfillment with SAP ERP and SAP SCM.
- The course is also suitable for customers who are still using SAP R/3.

**Prerequisites**

- Business knowledge in the area of sales and distribution processing.

The following E-Learnings are included in posting TSCM0:

- SAP125 SAP Navigation 2005
- TERP01 Introduction into processes in ERP
- TERP02 Introduction into processes in NetWeaver
- TERP01 SAP ERP: Introduction to Processes in Sales Order Management

\* These E-Learnings have to be executed in self-study before the start of the course.

**Goals**

- Execute the main business procedures involved in sales and distribution processing.
- Implement the main functions and Customizing settings in sales and delivery processing.

**Course Based on Software Release**

- ERP ECC 6.0 Ehp 4

**Content**

- Processes in sales and distribution: organizational structures in sales and distribution, working with customer and material master data in sales and distribution, overview of the process chain for sales order processing, introduction to pricing in sales and distribution, introduction to the availability check, sales and distribution processing with make-to-order production, credit memo processing and returns processing, introduction to sales and distribution reporting.
- Sales: Creating and processing sales orders, sales document types, item categories, schedule line categories, document flow and copying control, partner determination, contracts and scheduling agreements, special business transactions, incompleteness logs, material determination, material listing/exclusion, product selection, free goods.
- Mini case study in sales.
- Delivery processes: Controlling outbound deliveries, creating and processing deliveries, picking, packaging, goods issue.

**Notes**

- Please do not enroll for this course unless you have fulfilled the prerequisites.
- To ensure that you retain the knowledge gained in this course and successfully complete the certification examination at the end of course TSCM02, we recommend that you consolidate the content in your own time after the course.
