Autodesk Maya 2011 QUESTIONS AND ANSWERS

6.7 As an Autodesk Subscription with Gold Support customer, how will I be notified of the download for Maya 2011?

Autodesk will send an email containing a link to a software download page to all Subscription contract managers and software coordinators with active Autodesk Subscription or Autodesk Subscription with Gold Support contracts on the date the product ships. Customers will need to use their Subscription Center login credentials to access this page and download their product entitlements.

Note: The Maya 2011 documentation will be available for download.

6.8 Will active Subscription and Subscription with Gold Support customers automatically receive a physical Maya 2011 kit?

Software download will be the default method of delivering software upgrades to the majority of Autodesk Subscription customers. Autodesk Subscription customers in countries where software download is set as the default upgrade delivery method will be notified that their software upgrade is available to download. They will not automatically receive a software kit. If they prefer to have a CD/DVD, they can submit a request in Subscription Center and Autodesk will ship them a box at no additional cost.

Note: Maya 2011 software kits are expected to be shipped on or after April 7, 2010.

6.9 How can I access Maya Subscription with Gold Support benefits?

Simply sign in to the Subscription Center at **www.autodesk.com/subscriptionlogin** to begin accessing your Subscription with Gold Support services.

6.10 As a Subscription customer, do I have access to versions of Maya prior to the 2011 release?

Yes. Prior version usage rights for the Maya software will only be available for Subscription and Subscription with Gold Support customers.
